NIRMAL JYOTHIS BENNY

Woolwich, London

07887189593

nirmaljyothisbenny97@gmail.com

Frontend developer with 4.7 years of experience in React.js, delivering scalable and user-friendly web applications across implementation and support projects. Proficient in building responsive UIs, translating requirements into efficient solutions, and collaborating with cross-functional teams.

HIGHLIGHTS:

- Collaborated closely with UI/UX designers to translate wireframes and prototypes into responsive, user-friendly interface with CSS frameworks.
- Proficiently served as a frontend developer, conducting root cause analysis, resolving queries, and ensuring timely resolution within the projects.
- Optimized web application performance by implementing best practices in code structure, lazy loading, and component reusability and implemented REST APIs.
- Demonstrated expertise in Agile and SDLC methodologies, to streamline project workflows, enhance team collaboration, and accelerate delivery timelines.
- Exceptional debugging skills to identify and resolve issues in the code during development.
